

## 2011 Fall Recreational Season, Division Alignment Rationale

### GIRLS

#### 11AS – Divisional Rationale

##### U17

Comprised of the 6 teams requesting to play GU16 or (the U13 team that requested to play U16 was not included because a team can only be placed up 2 years until their true age is U16) and will play a single round robin including one 7AS game against the only team requesting an older age group for 7AS. The schedule will be completed with a partial second round.

##### U15

Comprised of 4 teams: One requesting U14 Premier, 2 requesting U15 Select and 1 requesting U16 Premier. This last team was included because they are of True Age, U13 and the league cannot place teams into divisions more than 2 years older than their True Age. This divisional will play a triple round.

##### U13-U14

The 3 teams requesting U13 select were combined into a single U13 division and the 3 teams requesting U14 select were combined with 1 team requesting U14 Premier to form the U14 Division. The team requesting U14 Premier could not be placed higher than a U14 division as they are a True U12 team. The U14 will play a double round. U13 will play a double round with a single cross-divisional round against the U12 division.

##### U12

The 2 teams requesting U11 Premier and U12 Select were combined into a single division. U12 will play a double round with a single cross-divisional round against the U13 division.

##### U11

The 8 teams requesting U11 Select make up the U11 division.
