

## Schedule Notes and Guidelines for U13-19 Season 2010

1. games will start March 6, 7 and end May 22, 23.
2. there will be about 35-40 games per day; that's approximately 120 assignments per day.  
BU19s will have a majority of their games on Saturdays.
3. games will be on 10-12 fields per day.
4. Waipio may be charging for the use of fields shortly;  
the OL Board, in anticipation of this, has adjusted the times of games  
to fit in games without incurring excessive field charges.
5. it will be very important for referees to be on time (30 minutes before  
game time) to administer the check-in; if a referee is late, the ARs should  
begin the check-in.
6. In order to keep games on schedule, referees will "run the clock" as follows:
  - the coin toss will take place five minutes before the start of the game.
  - the referee will blow the whistle, immediately after the coin toss,  
to alert and have the teams to take their field positions.
  - the referee will blow the whistle at the scheduled game time;  
the referee will start the clock at this time.
  - there will be three whistles: 1) for the coin toss; 2) to take the field, and; 3) to start the game.
  - there will only be two whistles to start the second half as there is no coin toss.
7. an example of game time management, for an U12 game, is detailed below:
  - the game time slot runs from 9:00 am to 10:25 am;  
for this age division, the playing half is 30 minutes, and a five minute half, for a total of 75 minutes;  
that leaves 10 minutes for injuries and additional game time, if warranted, for a total of 85 minutes.
  - the next game must start at its scheduled time.
8. when delays occur, referees should "do the math" so that the games have two equal halves of play.
  - consult with the coaches to establish the playing time.
9. referees may manage stoppage time as best they can within the game slot time.
10. referees should consider their OL responsibilities when officiating in other leagues,  
and scheduling their assignments;  
**DO NOT COME LATE TO OL ASSIGNMENTS FROM OTHER LEAGUE ASSIGNMENTS.**
11. indicate your availability for the March games by signing up on the sheets circulating.  
hopefully, you have brought your calendars, or know your schedule, so you can commit to the  
dates and times you indicate availability for!!  
**ONLY INDICATE YOUR AVAILABILITY NOW IF YOU ARE SURE OF YOUR COMMITMENT!**
